## **COST-OF-LIVING-ADJUSTMENT WENT INTO EFFECT MARCH 1<sup>ST</sup>** **Boise, Idaho – March 6, 2012**

The 2012 cost-of-living-adjustment (COLA) went into effect March 1st. Retirees will see a 1% increase in their benefit starting this month. A notice about the change was mailed to PERSI retirees last week. If you see a difference in your benefit amount this month, it's mostly likely due to the COLA so there's no need to call PERSI.
