PERSI Choice 401(k) Plan Employer Meetings Boise, Idaho – March 10, 2018

Starting this March, PERSI Choice 401(k) Plan Manager, Diane Kaiser will be back on the road for more face-to-face meetings with employer payroll and human resources contacts. The purpose is to provide information about the Choice 401(k) Plan and employer tips, and some recent changes. Diane is also excited to share a growing library of communication materials developed in conjunction with PERSI’s record keeper, Empower Retirement. A Retirement Plan Counselor with Empower Retirement will join her at these meetings. They are solely dedicated to educating PERSI employers and members about the Choice Plan as well as retirement planning in general. This will also be an opportunity for employers to ask questions about PERSI and the PERSI Choice 401(k) Plan. PERSI hopes employers will plan on attending one of the meetings scheduled in your area. Diane can be reached at diane.kaiser@persi.idaho.gov or (208) 287-9256 if you have any questions and/or would like to discuss the PERSI Choice 401(k) Plan.
